

Swine Flu Symptoms

Symptoms of swine flu are like regular flu symptoms and include:

fever

cough

sore throat

body aches

headache

chills

fatigue

Swine Flu Symptoms

Some people have reported
diarrhea and vomiting
associated with swine flu.

Those symptoms can also be caused by
many other conditions,
and that means that
you and your doctor

can't know,
just based on your symptoms, if you've got swine flu.

It takes a lab test
to tell whether it's swine flu or some other condition.
